Dear shareholder,

Your Directors are pleased to advise that they have resolved to reactivate our Dividend Reinvestment Plan (DRP) for the interim dividend of 9.5 cents per share payable on 27 January 2008. Our DRP provides shareholders with a convenient way of increasing your shareholding in Programmed Maintenance Services Limited by reinvesting all or part of your future dividends in additional Programmed shares (ASX code: PRG).

Shares issued under the DRP will rank equally with existing shares. They will be allotted free of brokerage, and the 100% franking credits applicable to the 2009 interim dividend continue to be available to shareholders who participate in the DRP.

The Directors have resolved to apply a 5 per cent discount to those shares issued under the DRP for the 2009 interim dividend. The discount is determined on the weighted average ex-dividend market price in the five trading days commencing on the second trading day following the Record Date. The Record Date is the date used to identify those registered shareholders who are entitled to receive a dividend. The Record Date for the 2009 interim dividend is Thursday 8 January.

Please find enclosed a summary of the main features of the DRP, together with formal DRP Rules, to assist you in deciding whether to participate in the DRP.

Should you wish to participate, please login to Computershare's investor centre by accessing the web address as following <http://www.investorcentre.com/au> and update to indicate your DRP nomination at your earliest convenience, as **DRP applications received after the Record Date of 8 January 2009 will not qualify for the 2009 interim dividend.**

SUMMARY OF MAIN FEATURES DIVIDEND REINVESTMENT PLAN

Set out below is a summary of the main features of the Dividend Reinvestment Plan ("the Plan"). Shareholders should consider the Rules of the Plan set out on pages 6 to 13 before deciding whether to participate.

Increased Shareholding

The Plan is an optional and convenient way of increasing the number of shares owned in Programmed Maintenance Services Limited.

Eligibility

All shareholders who hold fully paid ordinary shares in the Company and have a registered address in Australia or in such other countries as are approved by the directors from time to time are eligible to participate in the Plan.

Participation is Optional

Participation is entirely optional. A shareholder may join the Plan, vary participation, or withdraw from it at any time (subject to the necessary notice period).

Participation

Participants have the following options:-

- (a) Full participation – the dividend on all fully paid ordinary shares held by the shareholder is reinvested in new shares; or
- (b) Partial participation – the dividend on a specified percentage of the shareholder's share or on the number of shares specified by the shareholder is reinvested in new shares. The dividend on the remaining (non-participating) shares will be paid as directed by the shareholder.

In the case of full participation, shares issued under the Plan will be added to the shares already participating in the Plan. In the case of partial participation, shares issued under the Plan are eligible for participation at the shareholder's discretion on lodgement of a Notice of Variation.

Issue Price

Shares will be issued under the Plan at a discount determined by the Directors to the weighted average ex-dividend market price in the five trading days commencing on the second trading day following the Record Date (as determined in clause 5 of the Rules) and are allotted free of brokerage, commission and stamp duty costs.

Entitlement Rounded Down

Where the allotment formula results in a fraction of a share, the entitlement is rounded down to the nearest whole number of shares. Balances are carried forward.

Ranking for Dividend

Shares allocated under the Plan rank equally with existing shares.

Statement

A statement is sent following each dividend payment, detailing participation in the Plan.

Sale of Shares

Shares participating in the Plan, or shares allotted under the Plan, may be sold at any time. Shares participating in the Plan which are transferred will be withdrawn from the Plan automatically following the receipt of a valid transfer document by the Company.

In the absence of notification to the contrary, shareholders who participate in the Plan in respect of only part of their shares will have future disposals deducted from their shareholding in the following order:-

1. Non-participating shares; and
2. Participating shares.

Taxation

Under the Plan, the dividend is reinvested in new shares in the Company. Under current Australian taxation legislation, this dividend is assessable income but any franking credits attached to the dividend can be used to offset any tax payable. The sale of shares acquired under the Plan will be subject to capital gains tax provisions. Plan statements should be retained for tax purposes.

The Company recommends that intending participants obtain professional legal and financial advice if required.

Variation of the Plan

The Directors have the right to modify, vary, suspend or terminate the Plan at their discretion, subject to the Constitution of the Company.

Securities Exchange Listing

Application will be made for quotation to the Australian Securities Exchange of shares issued under the Plan.

How to Enter the Plan

If you wish to participate in the Plan, please login to Computershare's investor centre by accessing the following web address <http://www.investorcentre.com/au> and indicating your DRP nomination at your earliest convenience.
