

**RII30115**

**Certificate III Surface Extraction Operations**

## Qualification

### RII30115 Certificate III surface extraction operations

#### WHO IS IT FOR?

This qualification reflects the role of employees such as production operators in an open cut mine or quarry, who perform tasks involving a broad range of skilled applications in a varied work context, using some discretion and judgement in selecting equipment, services or contingency measures.

#### HOW IS THE COURSE DELIVERED?

This nationally recognised qualification will be delivered via workshop and on the job training at your workplace by a qualified industry Trainer and Assessor over a period of two years and will include regular contact and support. Further information on the role of the Trainer and Assessor can be found in the Learner Handbook.
